

WE MAKE  
ENERGY  
TRANSITION  
HAPPEN

We believe  
in a future  
where humanity,  
industries,  
and the planet  
can all thrive.

WE ARE  
HOME  
TO THOSE  
WHO  
MAKE TO  
INSPIRE.

# MAIRE AT A GLANCE

We are a technology and engineering Group that develops and implements innovative solutions to enable the Energy Transition. We offer Sustainable Technology Solutions and Integrated E&C Solutions in nitrogen fertilizers, hydrogen, circular carbon, fuels, chemicals, and polymers.

## 90.4

Net Income (€ million)

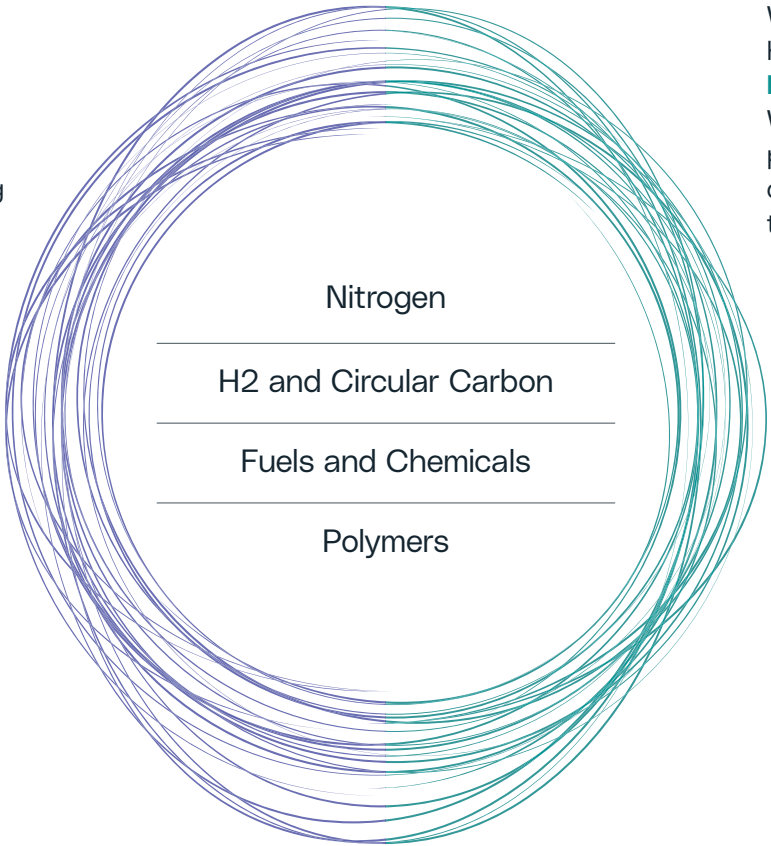

## 7,000

Employees

## 20,000

People engaged worldwide

We offer **Sustainable Technology Solutions** to fully **ENABLE** energy transition. Innovative and sustainable processes, optimizing conventional ones and creating new processes from non-fossil feedstock.

We **MAKE** energy transition happen through our **Integrated E&C Solutions**. We bring into reality complex plants and frontier projects designed to provide access to the latest technologies.

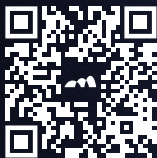

We are in the midst of a great transformation. A time of great tension and unprecedented challenges facing society, industries, and the planet.

Goals have been set and visionaries have taken the stage, but what we really need now more than ever, is action.

By those ready to take the matters of today into their own hands and take the first step towards the future. Those ready to make things better now and inspire themselves and the others to keep making better things for tomorrow.

**WE ARE HOME TO ALL THOSE  
WHO MAKE TO INSPIRE.**
